## Call for application: Youngsters On The Air Austria 2016

The 6<sup>th</sup> edition of Youngsters On The Air will take place in Austria. OeVSV (Österreichischer Versuchssenderverband), which will celebrate their 90 years anniversary, will be hosting next YOTA summer event. 75 Youngsters will be invited to travel to the Austrian Alps to enjoy a program with many new elements compared to previous years.

Here a brief summary of the program:

- Intercultural evening
- Excursion to fortress Hohenwerfen
- Offline contest- exercise operating skills
- Build your own SOTA antenna and use this antenna in a summit nearby
- Cave radio propagation- check different frequencies in an ice cave
- VHF/UHF propagation in mountainous areas
- Emergency communication – `how can we help?
- Winlink – email via HF, Packet or HAMNET
- APRS – not just your GPS position, send telemetry and email
- RaspberryPi as WSPR beacon – build, program and receive simple beacon TRX
- HAMNET- How to configure your Wifi for HAMNET, get connected!
- EME on 2m- setup our EME-Station from YOTA and make contacts on 144MHz
- ARDF challenge – find foxes in nearby forest on 80m
- Show and explain HamRadio to interested public and other youth groups
- And there will be a BBQ at camp fire one night and
- Go for a cool swim on hot days at Water World nearby....

This is just a little bit about what we are going to do in this event. It will be a great experience for all participants which they will never forget. To get a better feeling about this, have a look at the gallery from previous events.
