## YOTA Contest Final Scores + Next Round 18th July 2021

The first YOTA Contest has already taken place in May and was a big success. Over 100 YOTA logs, where operators have to be  $\leq 25$  years old, and over 700 logs in total were received within the deadline. Our team has worked hard to get the final scores ready before the start of the second session. The final scores including public logs can be now be viewed on the YOTA Contest [website](#).

Congratulations to our winners of each category of this very first round of YOTA Contest!

The upcoming second session will be taking place next week already. The date will be Sunday, **18th July** from **1000 – 2159 UTC**.

So, are you ready to compete within the next YOTA Contest? Everyone in the ham radio community can take part, it takes place three times per year and only lasts 12 hours. Its aim is to increase the youngsters activity on the air, strengthening the reputation of the YOTA program and demonstrate the support for youngsters across the world.

We have implemented 8 different categories which also include special ones for youngsters ( $\leq 25$  years old) only. Covering the 80m, 40m, 20m, 15m and 10m bands the competition will take place in CW and SSB modes.

The contest exchange used will be the age of the participating operators. Different ages also serve as multipliers during the contest.

Contacts between the own continent are worth 1 point, working DX is worth 3 points but the most points will be achieved by working youngsters. The younger the operator the more points one will get for the QSO.

During the past month we have received several rule translations into various languages. A big thank you to the contributors! So, if you are not that fluent in English, check them out [here](#).

If you have any further questions after reading through the [rules](#) please go to our [FAQ page](#) to see if your question has been answered already. If you still have a question, feel free to drop the YOTA Contest Committee an email at [contest@ham-yota.com](mailto:contest@ham-yota.com) and we are happy to reply.

On behalf of the YOTA Contest Committee,
