Final Scores + Awards of YOTA Contest 2021

We are happy to announce the final results of the **third round** of **YOTA Contest 2021**. They can now be found on ham-yota.com/contest. Congratulations to all for achieving great results among the competition.

Throughout the log submission period we received nearly 700 logs from all over the world. We want to thank everyone participating and thus introducing as well as engaging the youngsters around the world to the world of contesting. Without you all this event would not be possible!

Further, the YOTA Graphic Design Team did a great job providing the 2021 YOTA Contest Awards. They are now downloadable for all participants at ham-yota.com/contest.

Moreover, we want to remind you that we will have three (3) more YOTA Contest sessions coming up in 2022 again. Lots of participants enjoyed the 2021 sessions already and thus we hope to get even more people involved into the events this year.

The upcoming three sessions will be taking place on the following days:

1st round	21st May 2022	0800 – 1959 UTC
2nd round	23rd July 2022	1000 – 2159 UTC
3rd round	30th December 2022	1200 – 2359 UTC

So, are you ready to compete within the next YOTA Contest? Everyone in the ham radio community can take part, it takes place three times per year and only lasts 12 hours. Its aim is to increase the youngsters' activity on the air, strengthening the reputation of the YOTA program and demonstrate the support for youngsters across the world.

During the past year we have received several rule translations into various languages. A big thank you to the contributors! So, if you are not that fluent in English, check them out [here](#).

If you have any further questions after reading through the [rules](#), please go to our [FAQ page](#) to see if your question has been answered already. If you still have a question, feel free to drop the YOTA Contest Committee an email at contest@ham-yota.com and we are happy to reply.
